Announcements

Pray for: Val and Mally McLoughlin in France

- To be the light of Jesus to their neighbors
- For Val to be able to handle the extra load of keeping more financial books for the international workers and ministries in the region.

Easter Choir-We have ordered music for Easter and will start choir practice tonight at 6:00pm.

WOMEN'S MOVIE NIGHT—Friday at 6:30 pm at Carol Oestreich's home. Two movies are being considered: "What If?" (from Christian Cinema) or "Wonder." Let Jean Birr know if you plan on coming and if you'd like to bring a snack.

Birthday card for Ana Long-There is a birthday card for one of our TCKs (Third Culture Kids) on the table in the foyer. Please take time to sign it (and write a short note if you want) so that Ana knows she has people back in the U.S. who care for her and are praying for her. Also, if you'd like to give a monetary gift to Ana, there is a basket by the card for it. We will include it with the amount that our GCW will give to her. Thanks for your support of Ana!

Thank you-*Dear friends at Campbellsport Alliance, Thank you very much for the love offering you gave me. It was so good to be with you in November for the missions conference. I am very grateful for your support and prayers over the years that I was serving in Ecuador and the Dominican Republic. Thank you for your continued giving to the GCF and prayers as we "live the call together." God bless you as you reach your community.*
In Christ, Valerie Stellrecht

Everyone is as special as I am.

No one is like anyone else in the body of Christ. All are “members,” all are different and necessary to the whole and to one another; each is loved by God individually.

I prefer to balance the “I’m special” feeling not by thinking “I’m no more special than anyone else,” but by feeling “Everyone is as special as I am.” The first might lead you to think, “I’m only one of the crowd like everyone else.” But the second leads to the truth that there isn’t any crowd.

How being a member of a body differs from inclusion in a collective may be seen in the structure of a family. The members are not interchangeable. If you subtract any one member, you have not simply reduced the family in number, you have inflicted an injury on its structure. It is a unity of unlikes.
