

WAY2PRAY

WESTERN GREAT LAKES DISTRICT

December 2018

Thank you for praying for all the International Workers. Even though you may not always know their needs, all your prayers are important.

Valary & Mally McLoughlin - France

Thanks for praying for our time with my tutor for Thanksgiving! It was an evening that flew by and was fantastic! We laughed a lot, talked about what we were thankful for and a bit about why we celebrate. Friendships went deeper and that helps to create trust so that we can share with her about how much God loves her. Continue to pray for opportunities to share Christ with her.

Pray for Mally and I as we go to Bordeaux the first weekend of December where Mally will preach in French and we'll be ministering to the French church there. Pray for safety in traveling and that the Lord will give us the words to say while we're there.

Pray for our time with family in Ireland over Christmas. Pray for no tension within the family as not everyone gets along with each other all the time. We are having the whole family (four other siblings and their small families as well as Mally's parents) over for Christmas dinner in an apartment that we are renting for the week. We want to be the light of Christ during this time especially.

Pray for our neighbors to know the love of Christ this season as we make cookies and distribute them with notes to each.
