Announcements

Pray for: Tony and Raeni Roos in France

- Because of the shutdowns related to Covid-19, they feel like they're going back to the drawing board for their ministry. Pray for the Lord's guidance.

Quarterly Prayer Event this morning during the Sunday School time—postponed from last week.

Alliance Life-Articles in this magazine shed light on God being a present help in trouble and how women in Guinea have found release from years of spiritual bondage. There's also news from mission fields around the world. Copies are available at the Info Center. The free magazine can also be sent directly to your home by subscribing through e-mail to: alifesubs@cmalliance.org.

Next weekend:

- ◆ Men's breakfast will start up again on Saturday at 8:30 am
- ◆ We will have "Snack & Yack" after the Worship Service on Sunday. Bring a snack to share!

We could use help! If you would be willing to add your name to the church cleaning schedule it would be greatly appreciated. If you can find a buddy to help you out, the job gets done pretty quickly. So find a buddy and let Jean or Pastor know if you'd like to help in this ministry.

Alliance Women Outreach Events:

- ◆ Thursday, October 15 at 6:30 pm. -We will be having a "Paint It and Take It" fun night! We'll be making a canvas snowflake painting (with little lights that shine thru!) You only have to pay \$5 (the rest is covered by AW) but you need to register and pay that \$5 to Jean by October 4 so we make sure to have supplies for everyone. Feel free to invite a friend to join the fun!!
- ◆ Saturday, November 21 9am-1pm ?? - We will be hosting a Ladies' Fall Craft Fest with vendors setting up in our Fellowship Hall. We will also be providing snacks for all who come. More info when time gets closer. But mark your calendars now!

When God Puts You On Hold

BE DILIGENT...SO THAT EVERYONE MAY SEE YOUR PROGRESS
I TIMOTHY 4:15

A well-known Bible teacher tells of a pilot friend who received word from the control tower saying, "You're cleared for 5,000 feet." When he got there he had to hold for further instructions. Next came the words, "You're cleared for 10,000 feet." Gradually the controller took him level by level to 35,000 feet where he was cleared to fly to his destination. God spoke to this Bible teacher and said, "I wish you would trust me like that. Instead you want to go straight to 35,000 feet in one thrust!" Try to understand this: God sees the end from the beginning and He has already mapped out your journey. *He knows that if you rise too quickly there are dangers.* You may be in the cockpit, but God's in the control tower. And His Word to you today is: "Trust me and I'll get you safely to your destination." God's plan for your life can't be rushed. When you try to move too quickly you end up in a tug-of-war with Him. And you lose every time!

Before God could trust David to lead the nation He first had to see how he'd handle his father's flock. It was here David built a relationship with God and developed the qualities that would sustain him through the tough times ahead when he was king. God will let you practice in a place where your weaknesses can be worked on, your gifts developed, and where your mistakes won't affect too many others. That's because He cares for *them* too! If God has put you on hold today, it's because He loves you and wants only what's best for you.

God...
has appointed
a time for
every matter,
and for every
work.
