"The Great Jungle Journey" VBS July 22-26 9am-11am

- ◆ Do you ever wear a belt around your middle? God made the earth with a type of "belt" around its middle. It's called the equator. That's where tropical rain-forests with jungles are found.
- ◆ Pretend you're standing in the rain. Because rainforests have really thick foliage, drops of rain can take 10 minutes to reach you on the forest floor!
- ◆ Did you suck your thumb when you were a baby? Baby elephants suck their trunks.

The Reasons for Christian Contentment

Martyn Lloyd Jones

1. Conditions are always changing; therefore, I must obviously not be dependent upon conditions.
2. What matters supremely and vitally is my soul and my relationship to God—that is the first thing.
3. God is concerned about me as my Father, and nothing happens to me apart from God. Even the very hairs of my head are all numbered. I must never forget that.
4. God's will and God's ways are a great mystery, but I know that whatever He wills or permits is, of necessity, for my good.
5. Every situation in life is the unfolding of some manifestation of God's love and goodness. Therefore, my business is to look for this peculiar manifestation of God's goodness and kindness and to be prepared for surprises and blessings.
6. I must regard circumstances and conditions, not in and of themselves, therefore, but as a part of God's dealings with me in the work of perfecting my soul and bringing me to final perfection.
7. Whatever my conditions may be at this present moment, they're only temporary, they're only passing, and they can never rob me of the joy and the glory that ultimately await me with Christ.

If you don't have everything you want, be thankful for the things you don't have that you don't want.
