Wisconsin Family Council is offering a "Lunch with a Purpose" webinar with Scott Klusendorf on Wednesday, January 22, 2025 at noon. "Since the Dobbs case overturned Roe v. Wade and returned the abortion issue to the states, it has reframed the life issue politically. With this reframing, how can we make the case for life in our current cultural context? ... Scott is the president of Life Training Institute, where he trains pro-life advocates to persuasively defend the pro-life position. His presentations have been featured by Focus on the Family, Truths That Transform and American Family Radio. His book *The Case for Life* (2nd ed., 2023) is one of the best pro-life books on the market. Join us for an informative and challenging hour with one of the leading pro-life voices of our day." - One another as brothers and sisters in Christ
- Our communities which do not know Christ
- Spiritual growth for those in our congregation
- The defeat of the evil one in our lives and overcoming temptation
